

More Holidays for Less Money New Starting in 2010

From A to Z: Discover the Hohe Tauern Park Holiday Region with the new All-inclusive "Hohen Tauern Card".

The most beautiful sights and trip destinations around the Großglockner are packed together in the new All-inclusive Card.

Family holidays with the Hohe Tauern Card - means more holidays for less money and there couldn't be more extensive recreational offers.

What would it be like to **experience a day on the Großglockner**, take a ride on the local Pinzgau railway, visit the **rock or Alpine thermal baths in Gastein Valley**, view the stars at the **Planetarium Wald/Königsleiten** and trace the tracks of nature in the **National Park Worlds in Mittersill** and and...

Only **43 Euros for a 6-Day Card and/or 52 Euros for the 12-Day Card** one has the entrance card to over **160 sights and trip destinations** at hand. Children between 6 and 15 years of age only pay 21.50 and/or 26 Euros. The Card is particularly attractive for families because the third child and all additional children are free with the All-Inclusive Card and children under 6 years of age have free entrance to the Hohe Tauern Card Partners anyway.

Up to the Most Spectacular Peaks With the Hohe Tauern Card!

From the **Rauris Hochalm Cable Cars**, to the **Weißsee Glacier World** to the Wildkogel Cable Car in **Neukirchen am Großvenediger** - the Card makes free ascents and descents possible. With **26 cable cars** one arrives comfortably up to the highest heights, where one can start various mountain tours. A good inside tip is the **National Park Summer "Experience Nature" Programme**, which provides a special view of the fauna and Flora in the national park region. After a hike jump into the cool wet crystal-clear lakes or a visit one of the numerous **outdoor swimming pools**.

Nestled into the unique panorama of **the Hohe Tauern mountain world** one can dream in peace and leave every day life far behind! Treat your body and spirit to a necessary break and enjoy a relaxing day in one of the two **hot springs baths!** Even when the sun doesn't shine the Hohe Tauern Card doesn't leave you bored. Numerous native or theme museums, such as the **local history museum in Mittersill** and **Hüttschlag**, **"The Crystal World Hohe Tauern" in Bramberg**, **"The View into the Tauern Window" in Neukirchen** as well as the **Old Timer Museum in Kaprun** all look forward to your visit.

Everyday doesn't have to include a mountain tour, one can also take a leisurely walk through one of the numerous gorges, such as the **spectacular Kitzlochklamm in Taxenbach** or along Europe's highest **Waterfalls in Krimml**.

A **bike tour with the new E-bikes** is a special national park experience with an **electric operated motor** one can go through the most beautiful Tauern valley's without having to overexert yourself in a completely new way.

Another alternative is **a day on the Grossglockner High Alpine Road** - the Alpine road in the Hohe Tauern National Park. One can come within reach of the highest mountain in Austria and celebrate Austria's largest "Pasterze " glacier!

The new **National Park Center in Mittersill** brings the Alpine adventure world in and around the highest summit in Austria, the Großglockner, under one roof. One becomes acquainted with the extraordinary diversity at the eight adventure stations.

It doesn't matter if you stay for a week or 14 days, 6 and/or 12 day card versions for the Hohe Tauern Card guarantees an adventure for every stay in this small paradise.
